

A hand-drawn survey map on a grid background. The map shows a property boundary with several bearings and distances. At the top, a line is labeled $N 82^{\circ} 00' 00'' E$ 140.78. Below this, a horizontal line is labeled 140.78. On the left, a vertical line is labeled $N 08^{\circ} 01' W$ 162.27. Inside the property, there are two shaded rectangular buildings: a smaller one labeled 'G' with dimensions 16 by 22, and a larger one labeled 'R' with dimensions 27 by 45. A vertical line to the right of building 'R' is labeled 151.25'. A horizontal line below building 'R' is labeled 50. A vertical line below building 'R' is labeled 50. A horizontal line at the bottom left is labeled $S 77^{\circ} 30' W$ 140.78. A vertical line at the bottom right is labeled $S 08^{\circ} 59' E$ 151.25'. A horizontal line at the bottom is labeled 140.78. A dashed line at the bottom left is labeled 33.0. A dashed line at the bottom right is labeled 33.06. A horizontal line at the bottom right is labeled 85.35 488.35' TO E. LN. $W \frac{1}{2} SE \frac{1}{4}$. A horizontal line at the bottom right is labeled 0 - INDICATES IRON PIPE. A north arrow is located on the right side of the map, pointing upwards and labeled 'NORTH'. A line points to a location on the right boundary labeled 'PLACE OF BEGINNING'. A dashed line at the bottom left is labeled HWY. 20.
