Lot 8 Block 24 Crawford
Mrs. Ralph Kennedy ^{Fronting on Oak Lane}
Requested missing stakes to
be reset on above lot.
She ^{said they} won every point
in the lawsuit to quiet
title from to Greeter.
Said she agreed to sell the lot
to Greeter but he could not
make the price \$300.
Lot 75' by 176' fronting on Oak Lane

Apr. 29-1938
Lot No. 8. Block 24, Crawford
Re-checked.
No stakes had been interfered
or changed since we last
inspected the lot.
The one stake that had been
removed before the lawsuit at
N.W. Cor. of lot was still
missing. We re-set an iron
stake at this cor. by lining
in from two iron stakes at
west end of lot & owned
by a Mr. Child. measured
75' North and set 1/4" iron
stake flush with ground.

7 ~~4/23/38~~ Ralph Kennedy lot
data continued.

checked iron stakes at East
end of lot. All as previously
set.

The N.W. Cor. stke. evidently
followed, in driving a for
hole.

Stake at N.E. Cor. had never
been moved since it set in
1929.

The S.E. stake is at a bent
iron fence post.

The N.W. Cor. stake is in line
with west edge concrete driveway
to garage on 5 ft. S. of S.W.
Cor. to said driveway.

The S.W. Cor. stke. is 2.8' N.
of E. of a 3" Elm.

An iron stake was set on
N. line of lot 76.7 ft.
East of N.W. Cor. of lot and
9" N. of a tall 4" tree stub
with new green twigs at top.
S.E. stke. is set at an iron fence
post bent at top.

The two East stakes are set on
Bohart line of 1885 survey.

All iron stks. except 2 like stakes are staked with ground
N.E. stke. about 8" above ground.

for Allan Williams.
They were 75 ft. apart.
Next tried to find two
iron stakes set near or
at N.E. Cor. of Lot 2
Block 26, set for Dr. Hant
who purchased lots 1, 3, 4, 5
and for whom we
surveyed before.
Did not find them.
Then search S.E. Cor. of
Block 26. Did not
find it but found iron
