Mr. Oliver L. R.,

(to,

My Dear Mr. Walker, I set stakes for your lot and Mr. Hand's this
 afternoon. I did not have time to go and see you. I was at work near there
 and did your work. The N.W. corner of your lot is about 4 inches
 north of the south line of your north walk. I made a notch in the cement
 walk. The N.E. corner of your lot is about 2 inches north of the south line
 of the walk at the dividing line of your walk and Mr. Marley's.
 An iron stake is set under the walk. The S.E. corner of your lot and N.E.
 corner of Mr. Hand's lot is marked by iron stake in the roots of that
 large soft maple. The S.W. corner of your lot and N.W. of Hand's is marked
 by an iron stake as is also Mr. Hand's S.W. corner. Hand's S.W. corner
 is marked by notch in the alley cement driveway about 7 inches south
 of its north line. Lots of each 96 feet north and south and 60 feet
 east and west.

Charges are seventy five cents.

Yours very truly,

J. G. Skeels, Surveyor.
