A well defined fence
was found on east
of fence on west side
all along W. line.
Measured south line as
manent posts.

Measured east line 835'
44' wide) E. line to lake shore
1315' (road 50' wide or 48')

Measured E. & W. across near
" W. line lake shore

" " " " "

" " " " "

" S. line 19.66' short

Width at north 4.66' short

E. line 16.88' "

W. " 14.16' "

Julius Cook's lot overruns. 3.7

Trace of a temporary route of
recent drive,

and at some time well built
side and sufficient remain
to accurately trace the fence

designated above, 146' between per-
from road fence to brook (ravine
1290' exclusive of road, with road

lake 161 ft

to brook 140'

to N. road line 1258.7'

" ctr. of road 1283.7'

Julius Cook's S. line. 172'

Pillars built in 1848,

Doubtless, description of

Crumb's lot antedates

pillars.

No trace of any building
on lot and no trace of
any attempt at improvement
except very recent cutting
of undergrowth at N. end
and cutting some fallen trees
in pieces
