

Hand-drawn survey map showing a proposed right-of-way (R/W) line for a 25-foot wide road. The map includes a north arrow, a scale bar (1 inch = 100 feet), and various survey points and distances. The road is labeled "TOWN ROAD" and "U.S. Highway #12". The map also shows "MIDDLE LAKE" and "S.I.P." (Survey Intersection Point) markers. The proposed R/W line is shown as a dashed line, and the existing road is shown as a solid line. The map includes a table of distances and bearings for the proposed R/W line.

Line	Distance	Bearing
1	79.45	110° 57'
2	107.34	189° 26'
3	127.38	170° 00'
4	106.83	180° 00'
5	80.20	150° 35'
6	150.35	145° 1'
7	115.1	21° 35'
8	21.35	21° 35'
9	189.26	189° 26'
10	107.34	189° 26'
11	79.45	110° 57'
12	189.26	189° 26'
13	107.34	189° 26'
14	79.45	110° 57'
15	189.26	189° 26'
16	107.34	189° 26'
17	79.45	110° 57'
18	189.26	189° 26'
19	107.34	189° 26'
20	79.45	110° 57'
