NOTES:

- Only the improvements that were visible from above ground at time of survey and through a normal search and walk through of the site are shown on the face of this plat. This survey may not reflect all utilities, or improvements, if such items are hidden by landscaping, snow or areas covered by such items as dumpsters, trailers or vehicles. Lawn sprinkler systems, if any, are not shown on this survey.
- Surface indications of utilities on the surveyed parcel have been shown. Offsite observations have not been made to determine the extent of utilities serving or existing on the property. Public records have not been provided for additional information. Controlled underground exploratory effort together with Digger's Hotline markings is recommended to determine the full extent of underground service and utility lines. Contact Digger's Hotline at 1-800-242-8511.
- The locations of the property lines shown on the face of this plat are based on the description and information furnished by the client, together with the title commitment. The parcel that is defined may not reflect actual ownership, but reflects what was surveyed. For ownership, consult your title company.
- No gaps, strips or gores exist within any portion of the subject property.
