

~~#3~~ Nov. 11. Survey to  
side millpond lot. for  
P. V. Seymour.  
Begin at a point in  
extended 12 ft. east  
said line with the  
marked by an iron  
6.38 (614) to an iron  
the outfall sewer and  
stake is also on a line  
the old spillwall to  
and distant therefrom  
S.  $23\frac{1}{2}^{\circ}$  East. magnetic  
Both lines measured  
on rod 6.38'  
equals 1.10 or 110 ft.  
Next measured from  
to L. G. W. P. + L. L. P.  
by an iron stk. and  
station found near  
barn yard, to NW  
gate at right of way  
Next set iron stake  
on river bank below  
N. of Seymour's bridge  
This line runs app.  
Right of way to be  
said last described

determine line on West  
quilted deed to ~~P. V.~~  
and N. line right of way  
the N line of Water street  
of the intersection of  
outfall sewer line  
Stake thence N.  $24^{\circ}$  E  
stake on the NW side of  
6' distant therefrom, said  
with the face or edge of  
the Crawford milldam  
110' said line runs  
meridian  
by stadia 1st line intercepted  
~~24~~ .88 + 1.98 on rod

station 31. Deed (Haskins  
Co.) said point is marked  
is ~~near~~ the 60' west of  
Seymour's N. E. cor. post to  
cor. post to Seymour's  
153' (stake to gate post)  
at N. W. gate post also  
Willow stump. app. 6'

#6 S.  $65^{\circ}$  E,  
80 ft. measured S. from  
line,

34

Nov. 12, 1925

With Aldermen Allen & Hooker, to confer about Seymour's west side old and location and location Right of way to south from line just north of Quitclaim what City as surveyed. See both Allen & Hooker assent to both land conveyed & free access to and lease of land
