ALTA SURVEY

SURVEYOR'S CERTIFICATION

This survey is made for the benefit of:

FOREST COUNTY POTAWATOMI COMMUNITY OF WISCONSIN, its successors and assigns

STEWART TITLE GUARANTY COMPANY

I, Peter S. Gordon, Professional Land Surveyor do hereby certify to the aforesaid parties, as of the date set forth that I have made a careful survey of a tract of land described as attached:

Lot 5 in Block 6 of the Original Plat of the Village of Williams Bay, according to the recorded plat in Volume 4 of Plats, on Page 31.

Tax Key No. WOP 00076

1.) This is to certify that this map or plat and the survey on which it is based were made in accordance with "Minimum Standard Detail Requirements for ALTA/ASCM Land Title Surveys" jointly established and adopted by the ALTA/NSPS in 2005, and includes items 1, 2, 4, 7(a)(b1)(c), 8, 9, 10, and 11(a) of Table A thereof. Pursuant to the accuracy standards as adopted by ALTA and NSPS and in effect on the date of this certification, undersigned further certifies that in my professional opinion, as a land surveyor registered in the State of Wisconsin, the Relative Positional Accuracy of this survey does not exceed that which is specified therein.

2.) The property described hereon is the same as the property described in Stewart Title Guaranty Company Commitment No. SEWT-60891 with an effective date of January 26, 2007 and that all easements, covenants and restrictions referenced in said title commitment or apparent from a physical inspection of the site or otherwise known to me have been plotted hereon or otherwise noted as to their effect on the subject site.

3.) Said described property lies in an area which has not been mapped by FEMA to determine a flood hazard classification (designation).

4.) The Property has direct access to Elm Street, a dedicated public roadway.

Dated April 26, 2007

PETER S. GORDON
