The Alley through Block 4 is shown as 24' wide on the Plat of The Village of Allens Grove and appears to be slightly wider than all of the other alleys shown on the Plat which are shown as 20' wide. However, when comparing the lot dimensions shown on the Plat for lots in Blocks 3,4 and 5 the width of the Alley in Block 4 would have to be 20' wide. The width of the Alley in Block 4 is shown as 20' wide on this Plat of Survey. At this point the width of the Alley in Block 4 has little consequence since the Alley has been vacated and all 12 lots in Block 4 have the same owner.
