Notes:
A) A concrete monument was set to mark this section corner in November of 1984. The monument was moved 1.81, South onto the township line in December of 1995. Record dimensions shown on surveys done between 1984 and 1995 are different than dimensions measured to the current monument location.
B) There are some deeds and prior surveys that refer to the Alley in Block 6 as vacated. The Walworth County GIS appears to show the Alleys in both Block 6 & Block 7 as vacated. We were unable to verify with recorded docs.
