Statement of Potential Encroachments:

At the time this survey was performed the surveyor visually inspected the subject property and at his discretion has measured and has now shown on the face of this map certain features that appear to be on, near, or along a property line and is shown in reference to a property line. Surveyor has not identified the ownership of said feature, and is shown to the nearest 0.1 of a foot, and does not nor will not guarantee an accuracy greater than 0.1 of a foot in regards to said features. These measurements may vary from future measurements due to the specific location of the shot, equipment placement, and the physical condition of respective feature. Therefore all measurements may exceed tolerances greater than 0.1 of a foot for reasons mentioned, this includes any statements regarding distances in the form of notes shown on this map.
