

The map shows Block 7, which is a rectangular area divided into several lots. The lots are numbered 5, 6, 7, 8, 9, 17, 18, 19, 20, and 21. The block is bounded by Chapin Road to the east. The map includes the following details:

- Lot 17:** Located at the top of the block. Its eastern boundary with Lot 18 is 135.10' (135').
- Lot 18:** Located to the right of Lot 17. Its eastern boundary with Lot 19 is 149.96' (50').
- Lot 19:** Located to the right of Lot 18. Its eastern boundary with Lot 20 is 149.96' (50').
- Lot 20:** Located to the right of Lot 19. Its eastern boundary with Lot 21 is 135.13' (135').
- Lot 21:** Located at the bottom of the block. Its eastern boundary with Lot 20 is 135.13' (135').
- Lot 7:** Located to the left of Lot 17. Its western boundary with Lot 8 is 150.05' (50').
- Lot 8:** Located to the left of Lot 7. Its western boundary with Lot 9 is 50.10' (50').
- Lot 9:** Located to the left of Lot 8. Its western boundary with Lot 6 is 49.98' (50').
- Lot 6:** Located to the left of Lot 9. Its western boundary with Lot 5 is 49.98' (50').
- Lot 5:** Located at the bottom left of the block. Its western boundary with Lot 6 is 49.98' (50').

The map also includes the following details:

- Block 7:** The central area of the map is labeled "BLOCK 7".
- Chapin Road:** The road to the east of the block is labeled "CHAPIN ROAD".
- Iron Pipe:** A note at the bottom left corner of the block states "IRON PIPE 0.66' WEST OF CORNER".
- Dimensions and Bearings:** The map includes various dimensions and bearings for the lot boundaries. For example, the northern boundary of Lot 17 is 89°17'50", and the eastern boundary of Lot 17 is 90°42'50".
