

The survey map shows Lot 3, a triangular plot of land. The northern boundary is a street, and the western boundary is a mason's line. The lot is divided into a larger area and a smaller shed area. The larger area contains a house and a concrete cover over a well pit. The shed area is a small rectangle. The map includes bearings and distances for all boundaries and internal divisions, as well as area calculations in square feet.

**Lot 3 Dimensions and Area:**

- North boundary: 134.95
- West boundary: 134.95
- East boundary: 17.2
- Area: 135

**Shed Dimensions and Area:**

- North boundary: 17.2
- West boundary: 4.7
- East boundary: 17.2
- Area: 60

**House Dimensions and Area:**

- North boundary: 40.7
- West boundary: 40.7
- East boundary: 20.4
- Area: 40.7

**Concrete cover over well pit Dimensions and Area:**

- North boundary: 29.4
- West boundary: 20.1
- East boundary: 20.1
- Area: 60.00

**Adjacent Areas:**

- Street: 240 ±
- Mason: 59.98

(0.00) = recorded distance  
Bearings used are those of record
