Nov. 19/31 Wm Wrigley

Survey begun for
Wm Wrigley Jr

Found, and re-established 2u

34+35 - Town 2, N. Range 17,
Wisconsin. (This cor. Mon. had
stone set on end near the north
way builders. (a practice of
be stopped) The writer went
Geo. Posey before the road
several section, cor. Mon's
monumented + witnessed before
ed. so we established new
be carefully preserved, and
but the builders did not thus
stone at one side. The witness
an iron stake, with the original
it the witnesses are a large
N. W. ^{16.2} distant a spike
distant 30.1 feet. stake about 2"
of middle of a 3' square pillar
We question the previous location
surplus of 6' to the N. line
N. W. 1/4 of sect. 35 and a short
section. location taken ~~from~~
former surveyor.
Having re-established this 1/4 cor.
Proceeded to re-survey. The

Jr,

Lot known now as Fox farm,
formerly owned by Hambrecht then by
W. W. Harris of Chicago

arter section Cor. between sections
Town of Geneva, Walworth County
been removed (a flinty long pointed
highway track) by the concrete high-
highway commissioners that should
with the county highway engineer
was constructed and we witnessed
along route 50. (these had been
but some witnesses had been destroyed
witnesses. these Mon's were to
I think they were by Mr. Posey
preserve this one. for we found the
es were still there and we placed
stone set in the ground beside
spike in a 16" White oak stump
in a post to picket fence N.E.
below surface, and 18th south
at corner of field surveyed,
of this 1/4 cor. as there is a
of the S. line of the S. W. 1/4, S. W. 1/4,
e of 20th to south line of
from records of H. E. Haskins,
as previously established W
Fox farm, composed of the
